Education

Birla Institute of Technology — Mesra, Jharkhand
Bachelor of Technology in Electronics and Communication Engineering; ***CGPA: 8.67*** — *2024 – 2028*

St Xavier's College — Ranchi, Jharkhand
Class XII (JAC); ***Percentage: 91%*** — *2022 – 2023*

Bishop Hartmann Academy — Ranchi, Jharkhand
Class X (ICSE); ***Percentage: 93%*** — *2020 – 2021*

Projects

NexJyoti Education Foundation Website [Live] | *React 18, Vite, Firebase, Firestore, EmailJS*

- Engineered and deployed a responsive Single Page Application (SPA) for an education foundation using React 18, Vite, Firebase Authentication, and Firestore.
- Developed a real-time admin dashboard for staff, volunteer, member, and inquiry management with secure authentication and CRUD operations.
- Built a public ID verification portal with searchable credentials and dynamically generated digital verification cards for official staff and volunteers.
- Implemented automated application acceptance/rejection emails using EmailJS and delivered responsive Light/Dark Mode UI with reusable React components and Vanilla CSS.

Heart Talk [Live] | *React, Vite, Firebase, Cloudinary, CSS*

- Developed a premium real-time chat application featuring instant text and image delivery powered by Firestore real-time listeners.
- Implemented secure user authentication and personalized profile management, including dynamic online status indicators and responsive layouts.
- Optimized media handling via Cloudinary for lightweight image sharing and designed a sleek dark-mode interface with smooth CSS transitions.

Achievements

Coding Achievements

- Solved 550+ Data Structures and Algorithms problems across platforms including LeetCode, CodeChef, and GeeksforGeeks.
- Achieved a maximum rating of **1126** on **Codeforces**, demonstrating consistent participation in global competitive programming contests.
- Actively refining problem-solving skills through regular engagement in algorithmic challenges and technical assessments.

Leadership & Extra-Curriculars

- Serving as **Joint Secretary** of **IETE** (Institution of Electronics and Telecommunication Engineers), leading the coordination and execution of technical events, workshops, and seminars.
- Previously served as a **Web Developer** at the **Value Education Cell**, contributing to the design and maintenance of digital platforms to support institutional initiatives.
- Collaborated with cross-functional teams to manage event logistics and technical setups, enhancing campus-wide student engagement and technical culture.

Technical Skills

Languages: C/C++, SQL, JavaScript, HTML/CSS
Frameworks/Libraries: React, Node.js, Express.js, Next.js, jQuery, EJS, Mongoose, Tailwind CSS, Bootstrap
Developer Tools: Git, VS Code, GitHub, Cloudinary, Postman, Nodemailer, Firebase
Database: PostgreSQL, MongoDB
